

SOCIETY OF INDUSTRIAL AND OFFICE REALTORS®  
**Application for Membership**  
Specialist, Industrial and Office Real Estate (SIOR) Designation

**Application Process:**

SIOR's admissions procedure, conducted pursuant to the terms of SIOR's Bylaws, seeks to assure that applicants for all classes of membership are fully and fairly evaluated in terms of qualification criteria stated in the Bylaws and Policy Manual. Membership will be conferred upon all persons demonstrating achievement of the applicable criteria; and no applicant will be admitted on any other basis. Review the current admissions criteria on SIOR's web site, [www.sior.com](http://www.sior.com).

SIOR conducts a structured process, involving application and credential review at both the local (chapter) and (inter)national levels. Once an application has been completed, it should be forwarded, along with all required documents, to the Admissions Department at SIOR's Washington office (see below for address). A copy of the application will be forwarded to the applicable chapter admissions chair (or regional director if no chapter jurisdiction applies) for review. Chapter review includes a personal interview. This process can take up to 30 days.

Once the chapter completes its interview, the Admissions Manager will evaluate the application. Applications that do not clearly meet the requirements will be sent to the Admissions Committee for review and recommendation. The Admissions Manager or Admissions Committee may request additional information relevant to an applicant's qualifications. The Admissions Manager or Admissions Committee examines all relevant materials and makes a recommendation to the Council of Chapter Presidents concerning further action. They may recommend that applications be approved, approved subject to the fulfillment of educational requirements and/or ethics training, disapproved, or postponed pending the receipt of additional factual information or an interpretation of the Bylaws. The Council of Chapter Presidents takes final action on the recommendations of the Admissions Manager and/or Admissions Committee. Applications are approved throughout the year.

The Admissions Manager notifies applicants of the results of their applications following each review.

**Application Instructions:**

- 1) Review all relevant requirements for membership, including the Bylaws Excerpts regarding membership, Code of Ethical Principles and Standards of Professional Practice, volume requirements, and educational requirements. #### 14. Gross Fee Income (GFI) Affidavit

a.1. Executive Specialist Applicants: This Section is not applicable. Please go to Section 15.

a.2. Applicants for Industrial Specialist, Office Specialist, Dual (Industrial & Office Specialist), Advisory Specialist, or Sales Management Specialist must submit completed Gross Fee Income Affidavits.

Applicants for Membership with business addresses in Canada, Mexico or the USA must meet or exceed the stated dollar GFI plus meet or exceed the number of transactions requirement during at least three of the five 12-twelve-month periods that precede their application submission date. A minimum of 70% of the GFI requirement must come from industrial and/or office transaction. Contact your local Chapter Admissions Chair if you have specific questions about your GFI Affidavit. Contact information is available at [www.sior.com/](http://www.sior.com/) at Membership > Chapters and Regions or by calling the Admissions Manager at (+1)202.449.8234.

Applicants must submit an affidavit from their managing broker, CFO, or CPA detailing their Gross Fee Income (GFI) for at least three of the last five 12-month periods that immediately precede the submission dates of their applications. Gross Fee Income is that portion of income the company received that is directly attributable to the work completed by the applicant. However, there is no gross fee income requirement for Executive applicants, or for any Applicants whose business addresses are outside Canada, Mexico or the USA.

The minimum Gross fee income requirements for each city within chapters' jurisdiction can be obtained from the SIOR website, [www.sior.com/](http://www.sior.com/) at Membership > Requirements > SIOR Designation > Gross Fee Income (GFI) Requirements.

Chapter: \_\_\_\_\_

- I do business primarily in or around the city where my office is located (business address listed on this application). I understand that this is the default should I not indicate otherwise. I also understand that, unless otherwise indicated, the default GFI will be \$300,000.
- I do business primarily in an area other than in or around the city where my office is located. Please use the following city for my GFI requirement:  
\_\_\_\_\_

The GFI Affidavit must be downloaded from the SIOR web site, [www.sior.com/](http://www.sior.com/) at Membership > Application Information. Sales Manager Applicants should download the Sales Manager GFI Affidavit from the SIOR website at [www.sior.com/](http://www.sior.com/) at Membership > Application Information. Applicants for the Dual (Industrial & Office) Specialty should download the Dual Specialty Affidavit from the SIOR website at [www.sior.com/](http://www.sior.com/) at Membership > Application Information.
